15th February 2019

INVITATION
GREEK BUSINESS DELEGATION to GERMANY
Sectors: Energy-Technology-Environment
Dusseldorf & Aachen 13th to 17th May, 2019

with the valuable support and sponsorship of IBAG Deutschland GmbH

The German-Hellenic Chamber of Industry and Commerce is organizing a Greek Business Delegation from the sectors of energy-technology-environment to Germany, in Dusseldorf and Aachen, from 13th to 17th May, in the framework of international extrovert activities. The initiative is with the support of the Greek Consul and the Commercial Office of the Greek Embassy in Dusseldorf, of the Ministry of Economy, Innovation, Digitalization & Energy of Nordrhein Westfalen, and of the Chambers of Commerce and Industry of Dusseldorf and Aachen.

The aim of the mission is to offer to Greek companies know-how on technological developments in Germany in the fields of energy, renewable resources of energy, high-end technologies in medicine, in environmental issues, in recycling, in green industries. It will also provide the opportunity for networking with the local business communities and explore possibilities for business partnerships.

The program includes visits to Research Institutes, specialized Technology Organizations, innovation companies, meetings with officials from the Ministry of Economy, Innovation, Digitalization & Energy of Nordrhein Westfalen, as well as B2B events with German enterprises in Dusseldorf and Aachen which will allow for exchange of experiences and proposals and for identifying areas for potential cooperation, joint-ventures, synergies, etc.

We invite interested companies to send the Registration Form to y.patsiavos@ahk.com.gr and for further details they may contact Mr. Yannis Patsiavos, Senior Consultant, y.patsiavos@ahk.com.gr, t. 2106419026, 6945234747.

Sincerely,

Athanasios Kelemis
General Director & Member of the Board
