

Coaching Program Application Form

With this form you apply for the Coaching Program offered to the doctoral researchers at Helmholtz Munich. The goal of this new program is to provide an opportunity to doctoral researchers to seek expert statistical advice from qualified statisticians and advance in their doctoral research with the right kind of support.

Title

First name*

Surname*

Institute/Group*

E-mail address*

Phone

Title of your project*

At which state is your project (e.g. planning, data collection started/finished, statistical analysis, ...)*

What kind of contract do you have?*

Do you have approval of your supervisor to apply for this program offered by the Core Facility Statistical Consulting?*

Have you attended the mandatory courses (Introduction to R, Introduction to Statistics and Reproducible and Open Research) offered by the Core Facility Statistical Consulting?*

Notes:

Questions marked with a * are mandatory.

Required documents:

- Completed application form
- Letter of motivation (maximum two pages) with the following details:
 - A few sentences describing yourself, i.e., who are you, what have you studied, what are your interests
 - Description of the research project
 - The motivation for applying to the coaching program; why do you seek statistical support? How could you and/or your research benefit from it?
- CV
- Short recommendation letter of the supervisor (optional)
- List of existing publications (if any)

Please send all the required documents to: marina.jimenezmunoz@helmholtz-munich.de.

Declaration of consent:

I consent to the information and contact details provided by myself being used by Helmholtz Zentrum München in order to contact me for communication purposes and address my query. This is especially applicable for the use of my email address and potentially my phone number.

I know that I can revoke my consent to the collection, use and storage of my personal data at any time by sending my revocation to CF-stats-consulting@helmholtz-munich.de.

For any queries regarding the use of your personal data on this website, please see the [Data Protection Statement](#).

For any further enquiries regarding your personal data, please contact our data protection officer at: datenschutz@helmholtz-muenchen.de.

Mark the following to agree*

☐ I have read the data protection statement and I agree.

☐ I have read the notes above and I agree.

☐ I have read the guidelines of the coaching programm and I agree with them.
