

A man with a beard, wearing a white polo shirt and blue jeans, is sitting on concrete steps outdoors. He is smiling and looking at a tablet computer he is holding. To his left, a dark-colored electric car is parked, with a charging cable plugged into its front. The background shows a city street with buildings and a warm, golden light, suggesting late afternoon or early morning.

Intelligent charging solutions

Johann Kaemmer – Sales Manager
Mirko Frank - Sales Manager

Madrid, Sustainable mobility solutions, 20.11.2018
