Reference:	FLORA Ventures – Analyst & Investor Relations
Company Name:	FLORA Ventures
Company Type: (Startup/Mature/...)	Venture Capital Fund
Location: (full address)	Hayarkon St. 73, Tel Aviv, Israel
Duration of stay: (min 2, max 6 months)	4-6 months (preferably 6 months)

## Company Description:

FLORA Ventures is a new early-stage fund that is identifying, backing and partnering with the best purpose-led entrepreneurs redefining the \$8T AgriFood & Sustainability industries, to make food that is good for people, and kind to the planet. The fund's investment thesis is focused on the intersection of the AgriFood industry with Planetary & Human Health, all underpinned by deep-tech. FLORA Ventures is accessing a proprietary deal-flow from two of the leading AgriFood ecosystems, Israel & Europe, and supporting those ventures with their hands-on deep industry know-how, global network and access to smart capital.

FLORA Ventures is led by two experienced and complimentary General Partners: Gil Horsky & Esther Barak-Landes.

## Job Description and Tasks:

1. Conduct financial, commercial and technical due diligence of startups and translate analysis into concise investment summaries for investment team
2. Support partners in fundraising efforts in Europe & US. Help organize outreach to European investors (focus on German speaking countries) and plan roadshows and events
3. Develop and support marketing/PR strategy and execution for the fund. Incl. written materials such as: presentations, newsletters, social media (LinkedIn)
4. Complete deep-dives into new potential areas of investment for the fund
5. Assist in preparation of quarterly portfolio company updates for our investors

### **Essential Requirements:**

You will have an amazing time at FLORA Ventures if you have the following profile...

- Highly self-motivated, quick learner with the ability to work and think independently
- Outstanding analytical and financial modelling skills, including ability to synthesize and simplify complex data
- Attention to details, high organizational skills and desire to get things done
- String interpersonal skills, fun & pleasant personality, with a positive attitude
- Strong interest in topics of AgriFood, Sustainability and Impact
- Excellent English & German communication skills (both written and oral) – additional languages a plus
- Finance/Business/ Consulting background – preferable MBA
- Some scientific background (biotech / engineering) – a plus (not mandatory)

### **Remuneration Details:**

Due to visa regulations a salary is not allowed.

Costs for Lunch & Transportation for work will be covered
