Lightweight

Multipurpose / help
others

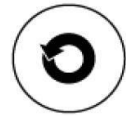

1 BRAND INTRODUCTION

1.2 HOW IT WORKS

One pull at the trigger
opens the CO2 cartridge
and fills the buoy

Reusable by screwing in a
new original CO2 cartridge

Also inflatable
by mouth

The buoyancy of 75N (7,5 kg / 16 lbs)
keeps your head above the water when
you lean over the buoy.

Folded Restube buoy stored in a
compact pouch. Find the right
version depending on your water
activity.
