

Engineering (for) our FUTURE!

11th JOINT KOREAN-GERMAN CONFERENCE

October 9th - 11th, 2019
Changwon, KOREA

We cordially invite you to attend the 11th Joint Korean-German Conference organised by ADeKo and Changwon City.

“Engineering (for) our FUTURE!” will be the main of the conference held at Changwon Convention Center and The House of Changwon on 9~11th of October. (3 days)

Mr. Elmar Hockgeiger the Head of BMW R&D Center Korea, Dr. Cho, Yong Sung the President of Korea Energy Economics Institute, Dr. Joo, Young Sup the former Minister of Small & Medium Business Administration of Korea will address the Conference as keynote speakers.

The following topics will be discussed during the keynote speeches:

Mobility : “How the development of Mobility Business would change the eco-system of related business, e.g. automobile, logistics, public transportation etc.?”

Energy : “Will the H2 Energy Eco System bring a new paradigm of energy supply?”

Industry 4.0 : “Recent Activities for Industry 4.0 in Germany and in Korea”

The conference will share insights into global issues and theories on future technology.
We hope you will accept our invitation to attend the conference.
