

**Mette Ullersted****Founder and Owner of Playmakers in Denmark**

Mette Ullersted has been facilitating change and transformation processes in both the Private and Public Sector in Denmark. Furthermore, as an experienced trainer, she has established a facilitator education, allowing individuals and companies to elevate their facilitation skills. Recently, Ms. Ullersted translated the 'Playmakers' facilitation methods and tools into a virtual learning environment. She is the author of the book 'Facilitating On-line Meetings'. The English version of her book will be launched in April 2020.
