

MENA Europe Future Energy Dialogue (MEFED)

8 and 9 June 2022, Jordan

MEFED provides a forum for **high-level exchange** between the **MENA region** and the **European Union**. It aims at boosting the transition to a more **sustainable, reliable, and affordable supply of energy** in both regions. The conference will be held under the patronage of His Majesty King Abdullah II Ibn Al Hussein of Jordan. Hosts are the Jordanian Ministry of Energy and Mineral Resources and the German Federal Government.

Partners

Implementing Agencies

MEFED will be held as an exclusive, in-person event and will provide ample opportunities for bilateral Government-to-Government (G2G) and Business-to-Government (B2G) meetings and side events.

Intended focus topics are:

- Green Hydrogen
- System integration and expansion of renewable energy
- Energy efficiency and demand side management
- Regional linkages for a sustainable energy future
- Cooperation and trade between the MENA region and the EU

Your presence is highly appreciated.
