

TO WHOM IT MAY CONCERN

Moscow, September 2019

On behalf of DAWN FOODS RUSSIA, CIS and UKRAINE I would like to express my full satisfaction based on fast and professional recruitment done by AHK! Task was not easy and requested candidate's profile was unique! However AHK Russland did a great job and project leaded by Mrs. Anna German has been completed full and on time!

I am fully convinced that "Impossible is nothing" and can recommend AHK company for most of HR services as well as complicated recruitment cases!

Best regards,
