Placement Opportunity - Full Stack Developer

Undergraduate (BA) student: ☐

Graduate (MA) student: ☒

Reference:	Pierate – FS Developer
Company Name:	Pierate.io (Pier-rate LTD)
Company Type: (Startup/Mature/...)	Start-up
Location: (full address)	HaRabi MiBachrach St 16, Tel Aviv
Duration of stay: (min 2, max 6 months)	preferably 6 months

Company Description:

Pierate.io is a start-up company that provides freight forwarders with a smart quoting platform, that significantly reduces global shipping costs, time, mileage, and energy, by implementing machine learning and big data analysis technologies.

The company has revenues from customers (including the subsidiary of the German corporation DB Schenker in Israel) and conducts a POC at the largest Israeli seaport in partnership with 500Global. The company also won Tel Aviv University's start-up competition.

Job Description and Tasks:

We are looking for a qualified Full Stack Developer with an emphasis on Front End Development, to join our new team. You will be an integral part of the core product, developing a modular and intuitive UI for the freight forwarders' quoting process all while taking part in the UI/UX design.

Essential Requirements:

- High level of written English
- Curiosity and autodidacticism skills
- 1+ years of Full Stack development, using React, Node and databases (relational or NoSQL)
- Taking ownership and responsibility of our technical solutions full cycle: from ideation to execution
- Passion for building clean, maintainable, and scalable product
- Experience with Git
- Advantage - Experience in using web concepts (request/session, cookies, permissions, feature flags)
- Advantage - AWS

Remuneration Details:

- Our office is located in center Tel Aviv, with free refreshments, fresh coffee, gym and swimming pool the intern can use during the internship period, also for non-work-related activities
- We will dedicate an equipped workstation including docking station, separate keyboard and mouse, multiple screens and comfortable chair, in quiet and clean environment.
- A PC (Laptop) can be provided by us
- Lunch and transportation will be covered by us
- We are all young people living in Tel Aviv, and we will gladly help you find accommodation and show you around
