## GENERAL CONDITIONS OF PARTICIPATION

### 1. Registration

Registrations will only be accepted if the enclosed form is completed in full, accepting the General Conditions of Participation.

### 2. Acceptance

No legal right to acceptance exists. Exhibitors which do not meet their financial obligations vis-à-vis the company organizing the exhibition or which have contravened these conditions can be excluded from acceptance. In the case of overbooking the right of selection is reserved. Acceptance of exhibitors will be confirmed in writing and is only valid for the exhibitor named in the letter of confirmation. Sending of an acceptance constitutes conclusion of an exhibition agreement between the organizer and the exhibitor. The organizer is entitled to withdraw acceptance if it was given on the basis of false premises or information or the preconditions of acceptance are subsequently no longer applicable.

### 3. Allocation of stand location

Booth space will be allocated on a first come first serve basis. One stand can be hired by one company. Joint stands and co-exhibitors are not permitted.

### 4. Terms of payment

On acceptance the exhibitor will be requested to pay 100 % of the full participation fee latest by 23<sup>rd</sup> August 2019. For invoices which are not paid on time the organizer has the right to charge a reminder fee on top of the invoice amount and / or interest payable on arrears of 2 % higher than the European Central Bank discount rate valid at that time. In the case of delayed payment on the part of the exhibitor, the organizer shall be entitled to withdraw from the contract for the entire space allocated and dispose of it at its discretion.

### 5. Cancellation or non-participation

No cancellation or reduction of the area of the stand on the part of the exhibitor is possible. The entire participation charge, which has been incurred are payable. The restructuring of unused space by the organizer to maintain the overall visual impression does not release the exhibitor from its obligation to pay. Should an exhibitor choose not to occupy stand space allocated to it and the organizer be in a position to let this space to another party (not a restructuring occupancy), the exhibitor will be liable for 25 % of the participation charge plus 100 % of the registration fee plus 100 % of the charge for the exhibitor's presentation in the industry portal.

### 6. Liability and insurance

It is the responsibility of the exhibitor to insure the goods exhibited against all risks in connection with

setting-up and dismantling during the exhibition, in particular against damage, theft etc. The exhibitor shall be liable to compensate the organizer for any damage caused by it to the exhibition space rented, stand material, electricity, water and sewage systems or any other property of the organizer. The organizer does not accept any liability for loss of or damage to the goods exhibited or other valuables which belong to the exhibitor, its representative or persons employed by or invited by it, including loss or damage due to water, fire, explosion, whirlwinds, lightning, flooding or other instances of force majeure, damage or injuries inflicted on the exhibitor, its representatives and other persons employed by it or invited by it, irrespective of the cause of such injuries or damage. In particular the organizer accepts no liability for damage to exhibition goods or their removal in cases in which use was made of the decorating department. With its acceptance of the conditions of participation the exhibitor explicitly releases the organizer and firms acting on its behalf from any rights of recourse whatsoever on the part of third parties. No right to claim damages exists.

### 7. Circular letters

The exhibitors will be informed by the organizer in circular letters of details concerning the preparations and running of the exhibition. The organizer does not accept any liability for any consequences of disregarding these circular letters.

### 8. Reserved rights

In the case of important reasons beyond its control the organizer has the right to postpone the exhibition, to curtail or prolong it, to close it for certain periods, to close it completely or in part, or to cancel it. In such justified exceptional circumstances, as in all cases of force majeure, the exhibitors do not have any right to withdraw or adjust the participation charges, nor do they have any right to claim damages. Should the exhibition not take place for the reasons stated above, the exhibitor can be called upon to pay up to 25 % of the participation charge to cover general costs.

### 9. Final provisions

With its registration for participation the exhibitor accepts in full as legally binding the General Conditions of Participation as well as the house and grounds rules in force at the exhibition venue. Additional agreements, special permissions or other kinds of arrangements require the written consent of the organizer.

### 10. Place of performance and venue
