Company Description

Siemens Digital Industries Software (DI SW) is a business unit of Siemens AG, a German multinational conglomerate corporation and the largest industrial manufacturing company in Europe. Siemens DI SW is driving transformation to enable a digital enterprise where engineering, manufacturing and electronics design meet tomorrow. Our solutions help companies of all sizes create and leverage digital twins that provide organizations with new insights, opportunities and levels of automation to drive innovation. For more information, please visit <http://sw.siemens.com>.

Knowledge Management & Learning team

Our team is looking for you! A creative and talented Graphic Designer to join our Knowledge Management & Learning team. As a Graphic Designer, you will work closely with our team to create engaging and visually appealing graphics that communicate complex ideas and data in a clear and concise manner.

Responsibilities:

- Design and create graphics, illustrations, and other visual assets for a variety of projects related to knowledge management
- Collaborate with our team to develop visual concepts and ideas for reports, presentations, and other knowledge management materials
- Develop and maintain a consistent visual style across all materials
- Ensure all graphics and visual assets are of high quality and meet brand standards
- Participate in brainstorming sessions and contribute creative ideas
- Provide design support for other teams as needed

Requirements:

- Bachelor's degree in graphic design, visual communication, art, or a related field
- Creative portfolio demonstrating design skills and expertise in creating graphics for various mediums
- Expertise in Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Ability to work in a fast-paced environment
- Excellent communication and collaboration skills
- Experience working in a knowledge management or similar environment preferred but not required

If you're passionate about design and interested in working with a dynamic and collaborative team focused on knowledge management & learning, we encourage you to apply for this exciting opportunity.
