The OAV- German Asia-Pacific Business Association in cooperation with Indo-German Chamber of Commerce is organizing a business delegation to Bangladesh from 8th to 12th September 2019.

Led by the Prime Minister, Sheikh Hasina, the Awami League remained in power following the peaceful elections of December 2018.

From an economic perspective, the government continues to pursue its overarching strategy of establishing Bangladesh as a middle-income country by 2021. Reporting growth of around seven percent over recent years, the country belongs to the region's dynamic growth markets.

The preliminary itinerary (subject to change) is as follows:

Sunday, 08/09/2019, Dhaka

- Discussions with relevant associations and chambers, including the Metropolitan Chamber of Commerce & Industry, Foreign Investors Chamber of Commerce & Industry
- Briefing and reception at the German Embassy (tbc)

Monday, 09/09/2019, Dhaka

- Discussion of funding opportunities with local representatives of banks, for instance the German Desk of DEG/Mutual Trust Bank
- Discussions with relevant ministries, e.g. the Ministry of Commerce, Ministry of Foreign Affairs, Ministry of Finance

Tuesday, 10/09/2019, Dhaka–Chittagong

- Company visit
- Flight from Dhaka to Chittagong

Wednesday, 11/09/2019, Chittagong

- Briefing by the local Chamber of Commerce & Industry
- Visit to an export processing zone and local factories
- Visit to the port and the Chittagong Port Authority
- Briefing and reception by the Honorary Consul for Germany in Chittagong (tbc)

Thursday, 12/09/2019, Chittagong–Dhaka

- Flight to Dhaka
- Briefing on the issue of CSR with GIZ and company representatives; networking lunch
- Discussion with the Dhaka Water Supply and Sewerage Authority, as well as a tour of a water project
- Dinner with representatives from the German Business Council (tbc)

Costs:

A fee of €1,000 (OAV, AHK/IHK members) or €1,500 (non-members) will be charged for participation in the trip. The companies also pay their own costs of travel, accommodation, catering and local transport.
