

TVET@AHK Egypt quarterly review October till December 2019

TVET Committee Meeting @ ElSewedy Technical Academy in 10th of Ramadan

On 10th of October 2019 the TVET Committee Meeting took place to discuss important aspects such as the new role of the TVET committee, the election of a new chairperson and his/her vices and to site visit ElSewedy Technical Academy. The TVET committee will embark on its new role as a think tank for the TVET activities supported by AHK Egypt, since it is an optimum platform to get all TVET stakeholders on one table to discuss matters of common interest.

Subsequently, an election of a new chairperson and his/her vices was steered. The winner of the most votes was Mr. Walid Qorish the Technical Lead of the Private Sector Programs in the Workforce Improvement and Skill Enhancement (WISE) Project, USAID Funded Project. As for the vice chairperson, Ms. Marwa Keshk, the HR Process Manager of Leoni and Eng. Aleya Serag El Din, the Executive Director of Ghabbour Foundation won these positions.

After the meeting, a tour was organized for all the participants at ElSewedy Technical Academy 2 and then a site visit to the ISKRSEMECO Factory to visualize the practical training in the dual system in the industrial electronics.

First meeting of the German Egyptian Vocational Education and Training Board (GEVET) on 22nd of October 2019

The first meeting of the German Egyptian Vocational Education and Training Board (GEVET) was held on 22nd of October 2019 at AHK Egypt. The members of new operational board represent different sectors such as automotive, industrial electronics, readymade garments, logistics and hospitality. The GEVET Board obliges as a venue for professional and business exchanges, for the discussion of training needs and for the development and adoption of common plans in the TVET sector. The main objective of this Board is to routinely combine the knowhow of human resources officers and vocational education experts as a mean towards the quality assurance and certification of apprentices. The GEVET Board members have elected Mr. Uwe Wieckenberg, Technical Director of ElSewedy Technical Academy as the Chairperson., Eng. Zakareya El Naggar, General Manager for IT and Training Academy of BMW and Eng. Ahmed El-Saadany, Learning Manager of Siemens won the positions of the vice chairpersons.

Career Day @ Ghabbour Brothers School in Imbaba

On 31st of October 2019, GB Foundation has organized the first career day for the third-year apprentices of GB School in Imbaba. The orientation day included representatives from the human resources departments of Egypt's biggest automotive companies. Upon the generous invite, AHK Egypt was present too. First, a tour was organized in the school, the workshops and the classrooms. After that, a presentation was conducted by the host as well as the top tree apprentices in front of the automotive companies. Moreover, a panel was steered and AHK Egypt was gladly part of it.
