# Brexit Preparedness

[www.qualityfreight.com](http://www.qualityfreight.com)

- 1) You will need to map out your supply chain to determine Brexit exposure.
- 2) You will need assurances from suppliers for the continuity of their supply chain.
- 3) What are the alternatives for the risk of congestion at ports?
- 4) What steps can you take to maintain security of supply?
- 5) Can you identify alternative suppliers?
