Reference:	ActiveFence – WEBINT Analyst
Company Name:	ActiveFence
Company Type: (Startup/Mature/...)	Startup
Location: (full address)	Hamelach 6 st., Binyamina
Duration of stay: (min 2, max 6 months)	3-6 months

Company Description:

ActiveFence detects malicious content online, at scale. Using AI-powered technology, we support technology platforms and government agencies as they fight cyber crimes, terror, hate speech and other harmful activities online and offline. We're on a mission to take the internet back from bad actors, protecting business interests and the public from harm.

Job Description and Tasks:

MISINFO DATA ANALYST:

As an OSINT Analyst at ActiveFence, you will use your internet fluency, online resourcefulness, broad areas of interest, technical skills, and hacker-like thinking to solve puzzles and lawfully access difficult-to-come-by open-source data from the deep-web.

Among the day-to-day tasks:

- Early detection of mis/disinformation spreading online
- Discover trends across social media (and way ahead mainstream media and news channels)
- Gather intelligence by source and keyword development and proactive approach
- Data analysis of reported trends and optimization of the process (using data analysis tools, research platforms and more)
