

Your experienced partner for bilateral business relations

The Competence Centre for Mineral Resources (CCMR) was commissioned by the German Federal Ministry for Economic Affairs and Energy and established by the Southern African-German Chamber of Commerce and Industry (SAGCCI). The CCMR is aligned with the Resource Strategy of the Federal Republic of Germany and focuses on Southern Africa markets in which mining features prominently; these markets will contribute to the security and diversity of the German resource supply and are also outlets for German technology, products and services.

OBJECTIVES AND TASKS OF THE CCMR

- Promote market transparency, cooperation and communication
- Market and promote German technology
- Services: Business partner searches, market entry and research, pre-market checks, delegations and trade fairs, workshops and seminars
