

Online Business Matchmaking: Consumer Electronics

Taiwan is an integral component of global supply chains in the ICT and consumer electronics sector. This sector also constitutes a large portion of German-Taiwanese trade relations, with around 15.4% of German exports to Taiwan being electronic goods.

You would like to get in touch with suppliers or partners from the Taiwanese Consumer Electronics sector? Then sign up for our Online Business Matchmaking Service!

DEinternational Taiwan, the service unit of the German Trade Office Taipei facilitates exchanges between German and Taiwanese companies, and supports with finding business partners.

For more information, feel free to get in touch with us.
