¹⁵ The protection of the geographical indication “Parmigiano Reggiano” shall not prevent prior users* of the term “Parmesan” in the territory of New Zealand, having used this term in good faith for at least 5 years before the entry into force of this Agreement to continue using that term. Where any such use of the term occurs, that use must be accompanied by a legible and visible indication of the geographical origin of the product concerned.

*The list of prior users has been established and shared before the signature of the Agreement
