COSMETICS

COMPANY INFORMATION

KLAPP Cosmetics is a pioneer in the world of beauty and stands for innovative cosmetic treatments ahead of their time.

For us „Made in Germany“ is a promise of quality.

Over 40 years of experience and continuous research and development of new high-tech active ingredients and methods, always resulting in the highest treatment success.

PHILOSOPHY

As one of the last big visionaries in the beauty branch, Gerhard Klapp has been setting trends since 1980.

Gerhard Klapp does not spare any efforts to invest his well-grounded expertise in the research and development of cosmetic treatments, special treatments and skin care products.

KLAPP Cosmetics is thus synonym for innovation, in the past, the present and also the future.
