

## Andreas Zötl

Senior Project Manager  
Action Planning and  
Coordination / Regional  
Manager Asia and Oceania

Andreas Zötl has been serving as a Regional Manager at the Export Initiative Energy office of the Federal Ministry for Economic Affairs and Climate Action for over 4 years. He holds a Master of Arts in Modern South/Southeast Asian Studies from Humboldt University of Berlin and a Bachelor of Arts in Political Science from Ludwig-Maximilians-University in Munich.

Since 2021, Andreas has been leading the coordination and implementation of the strategic action planning for the foreign trade promotion program of the Export Initiative Energy as a Senior Project Manager. He is the driving force behind the measures to support the formation of a consortium of the Export Initiative Energy.

As the Regional Manager for East Asia, Southeast Asia, and Oceania, Andreas has been instrumental in supporting, planning, coordinating, and advising the Federal Ministry for Economic Affairs and Climate Action since 2019. His expertise has been critical in implementing foreign trade promotion measures for small and medium-sized enterprises in the field of renewable energy and energy efficiency.
