SES assignments: costs

Even assignments like those completed by the SES cost money. Thanks to the voluntary commitment of its experts and the generous backing of both private and public institutions, these costs are low.

Project handling costs

Initial assignments: up to €3,400

Follow-up assignments: up to €2,200

Additional costs up to € 670

Insurance, professional and pre-travel
medical preparations

Cost of international travel

Local expenses

Accommodation, food, local transport,
pocket money, interpreting

Help with funding an assignment

Project handling costs, additional costs, cost of international travel:

The SES checks on a case-by-case basis whether some or all of these costs can be covered using funds from the German Federal Ministry for Economic Cooperation and Development (BMZ).

Local expenses:

You are responsible for paying these expenses. In case of financing difficulties it is possible to grant assistance in individual cases.

We would be happy to give you further information!
Please get in touch.
