# GACC National Partnership Program

## Designed for a Nationwide Network

### Premium Membership Benefits Nationwide

The GACC Midwest, the GACC New York, and the GACC South proudly present the all new GACC National Partnership Program. The program is designed to provide our members with more benefits than ever before by offering three memberships at a discounted rate. This simply means by signing up for the GACC National Partnership Program, your company will become instantly a member of all three German American Chambers of Commerce in the US (GACC Midwest, GACC New York, and GACC South). By receiving the highest membership level each individual chamber has to offer, your company is guaranteed to enjoy the maximum membership benefits from North to South and from East to West.

### What does the GACC National Partnership Program have to offer?

<b>COMPREHENSIVE BENEFITS</b>	<b>Three Exclusive Memberships</b> Your company will receive all membership benefits of the highest membership level of the GACC Midwest, GACC New York and GACC South*.
<b>ACCESSIBILITY</b>	<b>Numerous Programs and Events Nationwide</b> Your company employees will receive national access to over 200 annual programs and events nationwide, as well as discounted rates for our offered consulting services. Your company will also receive a National Partner recognition in the GACC German American Trade Magazine.
<b>REGIONAL PRESENCE</b>	<b>Present Your Regional Employees Throughout the US</b> You will have separate employees listed under three different locations (in our respective regional online and national printed directories). Your employees have a regional go-to-contact at the applicable GACC (in Atlanta, Chicago and New York).
