ABOUT OUR WORKFORCE INITIATIVE PROGRAMS

The German apprenticeship system is one of Germany's most successful exports, producing highly trained employees that help companies embrace innovation, market demands, and growth opportunities. The system is recognized globally for its combination of company-specific knowledge, theory, and hands-on learning.

GACC Midwest implements German-style apprenticeship programs such as the ICATT® and MAT² Apprenticeship Programs, which attract young people to manufacturing and other high-tech careers and increase retention rates for Network Companies. Certified according to German DIHK standards, these programs are affiliated with the US Department of Labor.

OUR AUDIENCE

- 184** Apprentices in 5 different industries
- 15** Network colleges throughout the Midwest
- 57** Active Network Companies

NETWORK & INDUSTRIES

- Automotive Supplier
- Sensors / Measurement and Control Technology
- Packaging Machinery
- Machine Manufacturer

WHY PARTNER WITH US?

1

VISIBILITY & BRAND EXPOSURE

Reach a targeted audience interested in apprenticeships and vocational training.

2

NETWORKING OPPORTUNITIES

Connect with industry leaders, educators, and aspiring professionals.

3

SUPPORTING WORKFORCE DEVELOPMENT

Align your company with a cause that promotes learning, development, and the growth of essential skills within the workforce.

GERMAN AMERICAN APPRENTICESHIP CONFERENCE

At the annual German American Apprenticeship Conference, one company will be awarded with the GACC Apprenticeship Award for their leadership and innovation in workforce development and excellence in implementing a German-style apprenticeship program in the US. The award honors their investment in education and the creation of valuable career pathways via apprenticeships.

The conference brings together key industry leaders, government officials, colleges, high schools, and companies to share best practices, discuss challenges and opportunities, and learn about the latest trends and innovations in apprenticeships.
