## Currency Strategist at Western Union

Steven Dooley is the Currency Strategist – APAC for Western Union Business Solutions.

Steven's worked in financial services for more than 15 years. Originally covering markets as a journalist, Steven later worked for a global institutional investment firm and made the shift into financial analysis.

His role at Western Union Business Solutions is focused on helping our staff and clients understand what's driving financial markets and how it might impact on Australian businesses.

Steven makes regular appearances on Sky Business and has also been interviewed on the ABC's Lateline and News Breakfast programs. He has written regular columns for Melbourne's Herald Sun.

Steven has a Bachelor of Arts, Graduate Diploma in Applied Finance and is an accredited member of the Australian Financial Markets Association.
