

# Delegation Trip to Germany

## Business delegation to Mecklenburg-Western Pomerania in the field of maritime industry

25 – 28 September 2023

The maritime industry is one of the most important sectors in Germany, and Mecklenburg-Western Pomerania is one of the leading regions in northern Europe for shipbuilding and maritime trade. An attractive business location with world market leaders and innovative collaborative research projects awaits you! Be part of the delegation and benefit from the following comprehensive program including visits and networking.
