

Virtual German-Estonian-Latvian Conference

SELF-SUFFICIENCY WITH RENEWABLE ENERGIES IN INDUSTRY WITH A FOCUS ON BIOENERGY IN LATVIA AND ESTONIA

13.10.2020, 10:00-12:30 (EEST)

9:45	Dial in, technical test
10:00	Opening Words & Introduction Aet Bergmann , bnt attorneys at law, President of the German-Baltic Chamber of Commerce in Estonia Kaspars Kalvišis , SIA Robert Bosch, President of the German-Baltic Chamber of Commerce in Latvia Dzintars Kauliņš , the Ministry of Economics of the Republic of Latvia, deputy state secretary for energy policy Christina Wittek , the Federal Ministry for Economic Affairs and Energy of Germany, head of Division of the German Energy Solutions Initiative Moderator: Oskars Priede
10:15	INTRODUCTION: GERMAN ENERGY SOLUTIONS* Paul Stolz , Consultant, Energiewächter GmbH
10:20	Bioenergy in Germany - Focus on biogas. Status quo and outlook Frank Hofmann , International Affairs, Fachverband Biogas e.V.
10:35	PRESENTATIONS OF GERMAN COMPANIES Johannes Gausling , 2G Energy AG: <i>Combined heat and power plants for the decentralised provision of power and heat based on gas motors</i> Robin Masuch , AdFiS products GmbH: <i>AdFiS: Activated carbon, filter systems, exchange service</i> Michael Reuther , AFE Airfilter Europe GmbH: <i>Products for the treatment of compressed air and other process gases</i> Marcus Meier, Juri Fomitschov , Global Solar Systems GmbH: <i>The Solartrichter—mobile and efficient Energy!</i>
11:05	BREAK
11:10	Energy from solid Biomass – Basic Informations, Profitability and best Practice Examples in the Sector of Industry Christian Letalik , C.A.R.M.E.N. e.V.
11:25	Latvian energy sector. Use of renewable energy in industry Līga Dreijalte , The Ministry of Economics of the Republic of Latvia, acting Director at Sustainable energy policy department
11:40	PRESENTATIONS OF GERMAN COMPANIES Christian Daniel , INTEC Engineering GmbH: <i>Process heat and power generation</i> Dr. Christian Hemerka , PPM Energie Germany GmbH: <i>Compact and decentralized plants for biodiesel and biogas production</i> Anting Grams , Weber Entec GmbH & Co. KG: <i>Increase of biogas yield through ultrasound</i> Jan-Willem Storm , Wulf Johannsen KG GmbH & Co.: <i>Supply of engines and full service for all engine types. "It's your mobility that drives us"</i>
12:10	Energy consumption in Estonia's industry – tendencies and challenges. Use of renewable energy in industry Anu Kull , Ministry of Economic Affairs and Communications, Economic Development Department
12:25	Questions and answers
Ca.	CLOSING WORDS
12:30	Dominic Otto , Deputy CEO of German-Baltic Chamber of Commerce in Estonia, Latvia, Lithuania (AHK)

*All presentations include some time for Q&A, times are local (EEST)
