

# AHK Azerbaijan

## Your Partner for Trade Fairs in Azerbaijan

In our recent memory, 2020 was the most challenging year with a global pandemic leading to cancellation and postponement of many important trade fairs. Travel restrictions and border closures limited the majority of exhibitors and visitors to keep in close contact with each other and to win new customers.

However, in order to get your business as visible as possible, to build a strong network of customers and expand your knowledge on the latest trends you need to be proactive by participating in trade fairs.

Trade fairs are the best platform to bring together the international key players and decision-makers. They offer access to all markets and target groups.

If you still want to be present at trade fairs in Azerbaijan during the pandemic period, AHK Azerbaijan can actively support and represent the exhibitors who are unable to travel to Azerbaijan due to the travel restrictions with the following services:

### **Representation at your exhibition booth** by AHK employees

Day 1, 2: EUR 400.00 / day

From Day 3: EUR 300.00 / day

### **Representation as trade fair visitor** by AHK employees

- Visiting of potential suppliers and business partners EUR 400.00 / day
- Organization of virtual B2B talks EUR 150.00 / meeting
- Individual offer upon request
