

## Placement Opportunity

Undergraduate (BA) student: ☒

Graduate (MA) student: ☒

Reference:	CoreTigo – RF Engineering
Company Name:	CoreTigo
Company Type: (Startup/Mature/...)	Mature Startup (6 years)
Location: (full address)	Giborey Israel 5, Netanya, Israel
Duration of stay: (min 2, max 6 months)	Preferably 6 months

### Company Description:

*CoreTigo enables faster and more flexible manufacturing by providing high-performance machine digitalization, wireless connectivity and edge solutions for machine builders, system integrators and industrial equipment manufacturers. CoreTigo's products enable the design and retrofit of machines and production lines that were not possible before. These solutions increase flexibility, adaptivity and modularity, resulting in cost effectiveness, increased productivity, and downtime reduction. Embraced by industrial leaders, CoreTigo's solutions are based on the IO-Link Wireless global standard, which is fit for harsh factory environments and motion control applications, providing the most reliable wireless connectivity for millions of sensors, actuators, and industrial devices worldwide.*

### Job Description and Tasks:

The main responsibilities for interns would be testing and qualifying RF modules, using advanced proprietary software. Build and maintain test setups.

### Essential Requirements:

- English at a high level
- Team players
- Open-minded and creative
- Hands-on, not afraid of high pace intensive work

### Advantage:

- Familiar with RF modules & measurement
- Maker
- Handy
- Technology savvy

## **Incentives:**

### **Office life**

CoreTigo's offices are a truly fun place to work at, we are great believers that with good times come great outcomes. We believe in an entrepreneurship approach that allows each individual to develop and suggest new ideas. Our kitchenette is always packed with coffee, cookies, fruit, vegetables, dairy products (and vegan options), sweets and everything else you need to help fill your day and meet your cravings. We have Nerf guns laying around all over and a shoot-out may start at any given moment, come prepared!

### **Transportation**

Our offices are located 900 meters from the nearest train station (approximately 10-minute walk), which is a 24-minute ride from the central train station in Tel-Aviv.

### **Remuneration**

We're happy to offer The New Kibbutz's interns coverage of travel (public transportation pass) and lunch expenses, as well as assistance with groceries. CoreTigo employees will gladly pitch in to make our interns onboarding and stay as convenient as possible by assisting with finding accommodation and any other request.
