Reference:	Siemens – SW Developer PS
Company Name:	Siemens Digital Industries Software
Company Type: (Startup/Mature/...)	High tech, Manufacturing
Location: (full address)	Siemens Industry Software Ltd. 2, Negev St. / P.O. Box 1013 Airport City 7019900
Duration of stay: (min 2, max 6 months)	5-6 months

Company Description:

Siemens Digital Industries Software (DI SW) is a business unit of Siemens AG, a German multinational conglomerate corporation and the largest industrial manufacturing company in Europe. The Manufacturing Engineering segment of DI SW is headquartered near Tel Aviv and develops under the Tecnomatix brand a comprehensive portfolio of digital manufacturing solutions that help to realize innovation by synchronizing product engineering, manufacturing engineering and production. Our solutions help to manage product and process knowledge in a single environment at our customers worldwide. They enable the virtual validation and simulation of production processes, equipment and systems long before production implementation.

For more information, please visit <http://sw.siemens.com> and Tecnomatix page http://www.plm.automation.siemens.com/en_us/products/tecnomatix/index.shtml

Software Developer for Process Simulate

Process Simulate is a leading 3D software product that enables to plan, simulate, optimize and commission robotic production lines.

If you are passionate about software development; if you are creative and a quick problem solver; if 3D software and robotics excite you, Process Simulate R&D can offer you a challenging and interesting experience in an agile development environment.

Your skills and abilities will determine the opportunities that might open up: Development of new features, development of tests and prototyping.

Essential Requirements:

- Pursuing or already graduated BSc. in Computer Sciences / Software engineering or related fields.
- Knowledge and some experience in both C++ and C#.
- Energetic, independent, fast learner.
- Team player with excellent interpersonal skills.
- Fluent English (reading, writing, speaking).
- Knowledge in robotics - Advantage.

Remuneration Details:

Siemens will cover lunch and local transportation
