INTERNSHIP Program

Internship placement in Ireland

BACKGROUND

- AHKs offer their experience, connections, and services to German and foreign companies worldwide.
- Support for German and Irish companies doing business abroad is coordinated by the German - Irish Chamber of Industry and Commerce (AHK Ireland).
- Foundation for networking between Irish and German companies:
Professional English
- Professional English should already be promoted in vocational training/ studies.
- After Brexit: Ireland will be the only purely English-speaking country within the EU and comes to the foreground in terms of English-language training.
- Therefore, AHK Ireland offers internship placements to gain practical experience abroad.

INTERNSHIP PROGRAM

- Arrangement of an internship of several weeks in Ireland with a company from our partner network.
- AHK Ireland acts as a bridge between the intern and the company.
- After successful completion, a certificate will be issued by the chamber.

FRAMEWORK PROGRAM

- Establishing a connection between interns and the respective company depending on interest, availability, and existing experience.
- The partner companies are selected by AHK Ireland according to our quality standards.

TARGETS

- Improve English language skills.
- Optimising intercultural skills.
- Establish international relationships.
- Acquiring new working techniques for use in the home company.
- Working with people from other cultures.

TARGET GROUP

In principle, the internship can be arranged for any person who is currently in education. Areas such as but not limited to:

- Business
- Finance, IT, Marketing
- Tourism
- Education
- Health
- Engineering
- Social Work

SERVICES

AHK Ireland offers:

- Placement of an internship in an Irish-based company in the preferred field and for the desired period
- Contact person for questions before, during and after the internship

Things need to be organized by yourself:

- Arrival and departure
- Transfer
- Accommodation during the internship

Funding:

Erasmus+ offers funding for internships within the EU. However, this support does not cover all costs. Please contact your educational institution for more information.
