Systems for marine industry

Systems for oil and gas industry

Product portfolio (2/6)

Flow measurement

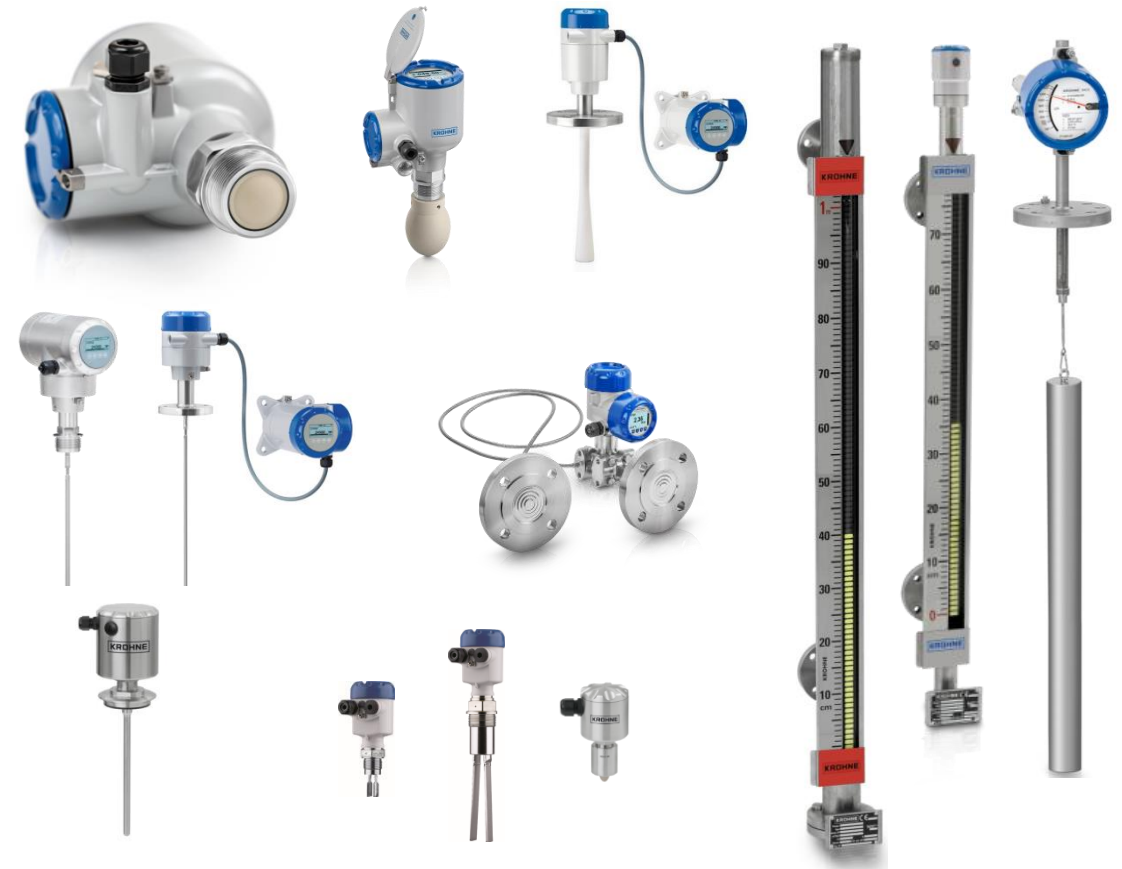

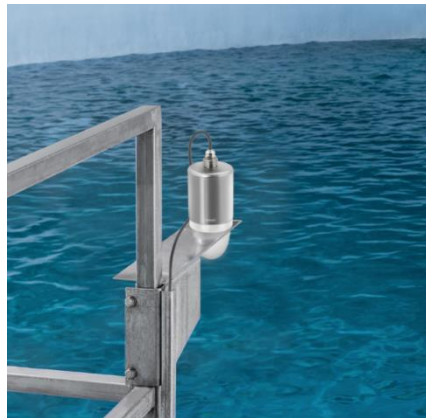

- Complete product portfolio spanning over all measurement principles and applications
- For liquids, gases, steam; from single- to multi-phase flows
- Process safety and process optimization, e.g. through build-in diagnostic functions

Product portfolio (3/6)

Level measurement

- Comprehensive range of level transmitters, indicators and switches for liquids, pastes and solids in every industry
- Optimized performance and safety even in the most challenging applications, e.g.
 - high and low process temperatures/pressures
 - agitated, corrosive liquids as well as condensation
 - liquid-liquid interface
 - low-reflective, abrasive solids in dusty environments

Product portfolio (4/6)

Pressure measurement

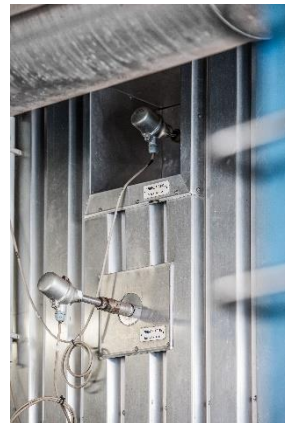

- Complete portfolio for measurement of differential, process and hydrostatic pressure
- Application-specific transmitters, primary elements, diaphragm seals and accessories

Product portfolio (5/6)

Temperature measurement

- Wide range of temperature assemblies and transmitters, materials and connections, services
- Special designs for multipoint measurements, special and demanding applications
- For applications from cryogenic temperatures to high temperatures
- Thermowells for aggressive media, high pressures and high flow rates

Process analytics

- pH,
logy
- 

Expectations

B2B approach

- Contacts we are looking for
 - EPC's
 - Plant manufacturers
 - Consulting companies like NAMA, ENVIS, SIGMA, LDK, INSTA consultant engineers
 - Endusers & suppliers (drinking water and waste water)
 - regional or local authorities like e.g. chamber of commerce, municipality or government officials which take care about the subsidies from EU
- Existing references
 - Contractors: MESOGEIOS, SYCHEM, SIRMET, AKTOR, HLEKTOR, EUROCONSTRUCTION COMPANY, POLYZOIS NIKOS S.A, ENVITEC, TEKA SYSTEMS, WATERA, THALIS ENVIRONMENTAL SERVICES, TEMAK, XOROTEXNIKI, THEMELI SA, ANTAIOS SA, MARMITEL, ERMON SA, DIASTASI, KARKANIAS, ANATEKO, CARAMONDANI, MEKEL, YDROTECH, KOKKINOS, VIOTEK, AVAX, ATRAPOS etc.
 - End users: EYDAP , Psyttalia WWTP, EYATH S.A (Water of Thessaloniki), DEYA PATRAS(water of Patras), DEYA of Greece (Volos, Larissa, Karditsa, Kavala, Chania,etc), Water development department of Cyprus
