# PAUL DUNNE

---

## Business Tax Advisor at EY

Paul is a highly experienced Tax adviser who brings a strong commercial perspective in assisting clients meet their obligations and achieve their business objectives.

Paul has broad experience across the financial services, insurance, investment and infrastructure sectors. He deals with complex international tax matters and has a broad range of business and individual clients. He has real depth of experience and leadership roles in a Big 4 environment.

He is a Fellow of Chartered Accountants Australia and New Zealand, Chair of the Tax Advisory Group and a Member of the International Fiscal Association and NZ Institute of Directors.

Paul holds a Bachelor of Commerce (Otago) and Master of Business Administration, with Distinction (Victoria University).

He has an active interest in sports generally, and also in international business and current affairs. Paul has extensive involvement in Tax Policy matters, and was a member of the Tax Working Group, which reviewed the NZ Tax System and reported to Government.
