

## Matthew Cutler- Welsh

Business Development  
Manager Residential at NZGBC

Matthew is the Business development manager - residential at the NZGBC working with Homestar and HomeFit. Matthew's mission is to inspire people to make a better place to live.

After completing his Honours Degree in Natural Resources Engineering Matthew now has 15 years of experience leading residential energy efficiency projects and education programmes in New Zealand and Australia. In 2016 he joined the Board of the Passive House Institute New Zealand.

An experienced presenter, facilitator and podcaster, Matthew has interviewed over 200 architects, builders and industry experts from around the World on the Home Style Green podcast. He is also the co-host of the Passive House Podcast.

Prior to training as an engineer, Matthew was an Outward Bound instructor in New Zealand and the US.
