Canadian German Chamber News

**CGCIC's compliance with the General Data Protection
Regulation (GDPR), Toronto**

May 25: The General Data Protection Regulation (GDPR) has been (along with various other companies outside Europe) implemented on the German Chambers of Commerce abroad. CGCIC has made serious efforts to comply with the strict regulation which sets a new gold standard for data protection but comes with multiple challenges for small and medium sized companies.

Germany Trade & Invest News

Carsharing market expanding in Canada

The global car sharing market will continue to grow in the coming years. In Canada, a country with a high proportion of cars per household, interest in carsharing solutions is increasing, especially in densely populated regions. Alongside the costs, efforts for lower emission cities and relief of traffic congestion are reasons for the growing demand for mobility solutions.
