

Team. Work. Passion.

**Layher products and solutions
for Shipbuilding & Offshore**

February 2021

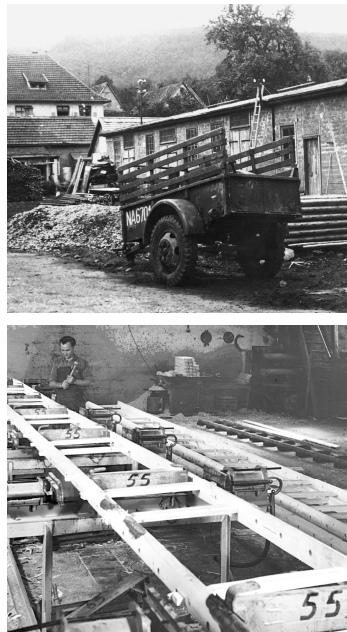

Layher® 

More Possibilities. The Scaffolding System.

HISTORY

- ▶ Founded by Wilhelm Layher in 1945, in Gueglingen-Eibensbach.
- ▶ Started with production of wooden agricultural equipment.
- ▶ Production of ladders and the wooden ladder scaffolding that later became common in the market.
