INTRODUCTION

From left to right:

Zane Kaugare (Senior Project Manager)

Samantha Tillner (Executive Director)

Grace Deibert (Project Assistant)

Dear Coloradans and Visitors,

If you are reading this it means you are interested in German culture and we thank you for that!

According to **StatisticalAtlas.com** over 20.3% of Colorado's population reported German ancestry. The actual number might be even higher.

As the German American Chamber of Commerce – Colorado Chapter, we are often asked to recommend the best Pretzels, a good restaurant, or a German speaking service. Therefore, we started researching and asking around to get as many recommendations as possible and summarized them all in this directory. Even though we did our best to learn about all the German focused businesses in Colorado, this directory is probably still not complete, so please let us know if you know of any other businesses that should be listed so that we can include them in the next edition.

Additionally, some businesses listed here might not be entirely German, but they offer something that gives the German-American community a sense of home.

We hope you will enjoy this directory and that it will inspire you to (re)create good memories, while you visit the places and businesses listed in here.

Your GACC Colorado Chapter Team

Find us on page 36 and we look forward to hearing from you!

Bohemian Biergarten

bohemianbiergarten.com

2017 13th St
Boulder, CO 80302

The Bohemian Biergarten was created and founded by Zdenek Srom in 2013. Zdenek immigrated from his hometown of Boskovice, Czech Republic in 1996. As a beer drinking, gastro inspired designer, builder and painter, he was able to execute his vision of a true European restaurant and pub. The original bricks and vaulted ceilings found in this historical building provide the perfect backdrop for an old world feel. The tables you are seated on were built out of 150-year-old reclaimed lumber and the railings and the light fixtures date back to the early 1900's. You'll feel like you are right back in Europe.

Our menu is inspired by Central European Cuisine from Germany, Czech Republic, Hungary, Poland and Austria. Some of our menu favorites include jagerschnitzel, spätzle, goulash, and our giant soft pretzel. Our classic imported beers on draft include Paulaner, Warsteiner and Pilsner Urquell. Let us transport you to another place and time with our ambience, imported biers, authentic glassware, authentic food, timeless design, and quality service. Prost!

Rhein Haus

rheinhausdenver.com

1415 Market St
Denver, CO 80202

Rhein Haus Denver has been serving beer and brats since its opening in November of 2015. With 4 indoor bocce courts, it is a great place to grab some of your favorite German brews as well as many local favorites, featured on 24 drafts. The menu offers house made sausages and pretzels that are made fresh daily, as well as some classic German eats.

The space was previously Old Chicago, where Rhein Haus co-owner Rich Fox hung out when he lived in Denver. Fox knew it was a great location when fellow co-owner, Matt Fundingsland, who grew up nearby, mentioned that the place was up for grabs.

The original Rhein Haus opened in Seattle in 2013 and was such a hit that the team of owners decided to open a second location in Denver, doubling the square footage of the previous space by opening the upstairs level, polishing walls of windows to create a light and airy space perfect for any family dinner, game day gathering or corporate event. Within walking distance of the Colorado Convention Center and Ball Arena, Rhein Haus Denver is sure to have what you are looking for.

Denver, CO 80216

A TASTE OF THE ALPS

Klaus and Dieter Campbell were born in Graz, which is known as the culinary capital of Austria, and as kids were exposed to the finest artisan breads. When they moved to the United States and life went on, their career paths lead to separate corporate fields that left them wanting more out of life. Remembering their love for traditional Austrian bread during a ski trip in the Alps and their desire to create a family business someday, the Campbell brothers started their training to become professional bakers in Salt Lake City in 1998—deciding to learn the art of high altitude baking in order to provide a Taste of the Alps.

For over a decade, Styria Bakery II has grown immensely and now serves six surrounding states with freshly baked breads and pastries through whole sale accounts, farmers' markets, and trade shows. The business growth has directly attributed to each family member's contribution: Shannon Campbell, Director of Markets and Sales; their daughter Erin conquering new territory at farmers' markets; their son Ryan is in the progress of earning his culinary degree; and their youngest son, Hunter, is currently at Metro State University earning his business degree in entrepreneurship and marketing.

XLVII's Bakery

xlviisbakery.com

XLVII is the number forty-seven in Roman numerals. Léon had a very special relationship with his grandfather who was born in 1947. Léon comes from a line of chefs & bakers. His grandfather was a baker and his father is a chef. Léon grew up on the border of France & Germany in Alsace and came to the United States in 2017. He speaks English, French, and German fluently.

When he came to the United States, Léon found a profound lack of authentic Bavarian pretzels. XLVII's Bakery was born! In remembering his roots, he has made sure to incorporate both French and German cultures in his baking.

Léon has been married to his wife Tové Speth since 2017. Together they have two sons, Enzo and Valentino Etienne Speth. They enjoy all things Colorado has to offer as well as traveling. Together they make a fantastic team.

T.E.V. Edelweiss

17832 Highway 8
Morrison, CO 80465

The T.E.V. Edelweiss was founded in 1958, to preserve the customs and traditions of Germany. The Klub provides a means for German immigrants and German-Americans to share in those traditions and further friendships between the USA and Germany. We uphold customs within our many activity groups: Karneval, Schuhplattler, Schützengruppe, Volkstanzgruppe. We are a private social Klub.

Our beautiful Klub Haus, located in Morrison Colorado, hosts monthly special events for all our members and their guests, including Oktoberfest and an annual Bier Festival. The Schuhplattler and Volkstanz groups continue to perform and teach traditional German dances and music. Each group meets once a week for practices. The Karneval Group celebrates the German Pre-Lenten celebration (Fasching/ Mardi-Gras), which encourages people to let loose in a party-like atmosphere for merriment and entertainment through masquerade, song, dance, joke telling and other festivities. The Karneval opening is celebrated the first Saturday after November 11th until Ash Wednesday.

The Schützengruppe normally meets once a month to practice their shooting skills and compete for scores. A Schützenkönig (King) and a Schützenkönigin (Queen) are crowned in November at the Schützenball.

All GACC Members are welcome to book private event space with TEV Edelweiss. Please Contact Lisa Wheeler at 720-839-1276 or at info@tev.edelweiss.com.
