Dear Sir/Madam,

I am writing to recommend the services of the Deutsch-Russische Auslandshandelskammer in Moscow. The Deutsch-Russische Auslandshandelskammer helped us to recruit the head of our Representative office in Moscow.

During the recruitment they offered a high quality service and we can say that we have always been satisfied by their work. The candidate we finally choose fits very well to our organization and we are very much pleased to have such a skilled person in our team.

Best regards
