

25th May 2021

Government of Sri Lanka has decided to lift the temporary restriction imposed on inbound travelers to Sri Lanka effective 1st June 2021. Restriction for the passengers who have been to India within the last 14 days will continue until further notice.

Total number of passengers allowed not to exceed 75 plus tourist per flight.

All inbound travelers should be mandatorily quarantined at a Quarantine Hotel/Quarantine Centre/Safe and Secure Certified Level 1 Hotel until completion of 14 days as per the guidelines of the Director General of Health Services dated 11th May 2021, irrespective to the type / number of doses of vaccine obtained.

Sri Lankan passport holders and Dual Citizens do not require approval to land in Sri Lanka. Foreign nationals, Seafarers, Business, Investment etc. require the approvals from the Ministry of Foreign Affairs to enter Sri Lanka along with the entry visa.

Tourist arriving to Sri Lanka please refer to the Tourist Board direction at <http://www.srilanka.travel/helloagain/>

A negative PCR test must be taken by all categories of travelers prior to departure point of origin as per airline/country requirements.

All passengers must adhere to the paid quarantine procedure.
