

*Wir planen,
um zu begeistern!* *Wir bauen,
um zu begeistern!*

The Biggest Discovery in the End of this
Century is

The Knowledge,

That the individual is more important than the collective,
That diversity is more important than unity,
That freedom is more important than power,
That the human being is more important than the
country

DISCOVER PRAVIDA

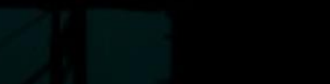

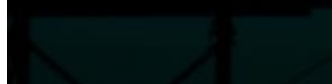

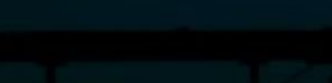

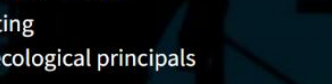

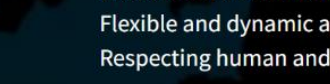

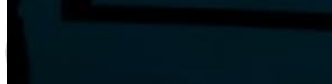

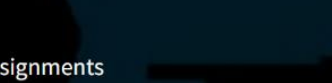

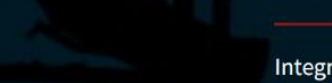

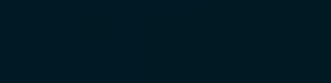

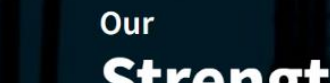

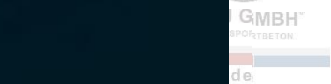

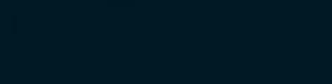

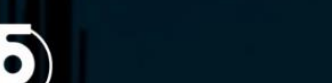

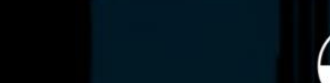

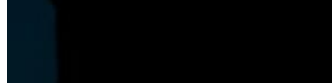

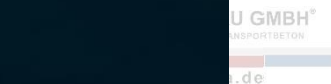

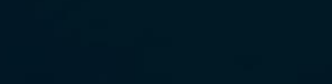

*Wir planen
am 1. zu begeistern!*
*Wir bauen
am 2. zu begeistern!*

Our Strengths

- Integrated accomplishment of complex assignments
- Best skilled and motivated co-workers
- Flexible and dynamic acting
- Respecting human and ecological principals
